B. Submitting Comments

The NRC encourages electronic comment submission through the **Federal rulemaking website** (<https://www.regulations.gov>). Please include Docket ID **NRC-2021-0098** in your comment submission.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov/> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* NRC Form 646, "Formal Discrimination Complaint."
2. *OMB approval number:* An OMB control number has not yet been assigned to this proposed information collection.
3. *Type of submission:* New.
4. *The form number, if applicable:* NRC Form 646.

5. *How often the collection is required or requested:* On occasion. The NRC Form 646 is submitted at the time an aggrieved individual decides to file a formal complaint of discrimination.

6. *Who will be required or asked to respond:* Employees, former employees, or applicants for employment with the NRC, who believe that they have been subjected to discrimination based on race, color, national origin, religion, gender, age, disability, reprisal, or sexual orientation.

7. *The estimated number of annual responses:* 30.

8. *The estimated number of annual respondents:* 30.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 30 hours

10. *Abstract:* As set forth under 29 CFR 1614, the Equal Employment Opportunity (EEO) complaint process prescribes that when an aggrieved individual believes that they have been discriminated against on the basis of their race, color, religion, sex (including sexual orientation, gender identity and expressions, and pregnancy), national origin, age, disability, genetic information (including family medical history), marital status, parental status, political affiliation, military service, and reprisal and seeks EEO counseling, the assigned EEO Counselor will conduct the pre-complaint (Informal) with the intentions of resolving the complaint within the Agency. At the conclusion of the pre-complaint (Informal) process and if the resolution was unsuccessful, the EEO Counselor during the final interview with the aggrieved person must discuss what occurred during the counseling process and provide the aggrieved with information to move the matter forward. Pursuant to 29 CFR § 1614.105(c), if the aggrieved individual decides to file a Formal complaint (i.e., NRC Form 646), the EEO Counselor must submit a written report (i.e., EEO Counselors Report) within 15 calendar days to the Office of Small Business and Civil Rights Director or designated official that will contain relevant information about the aggrieved individual, jurisdiction, claims, bases, Responding Management Officials, witnesses, requested remedies, and the EEO

Counselor's checklist. Once received by the NRC, an authorized NRC representative will place the completed NRC Form 646 in a secure folder created specifically for the aggrieved individual within an automated tracking system.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated: February 8, 2022.

For the Nuclear Regulatory Commission.

David C. Cullison,
NRC Clearance Officer,
Office of the Chief Information Officer.
